Tape Dispenser RippaTape

Get ready for the eCommerce market!

Made in Germany

Tape Dispenser 170-SGM

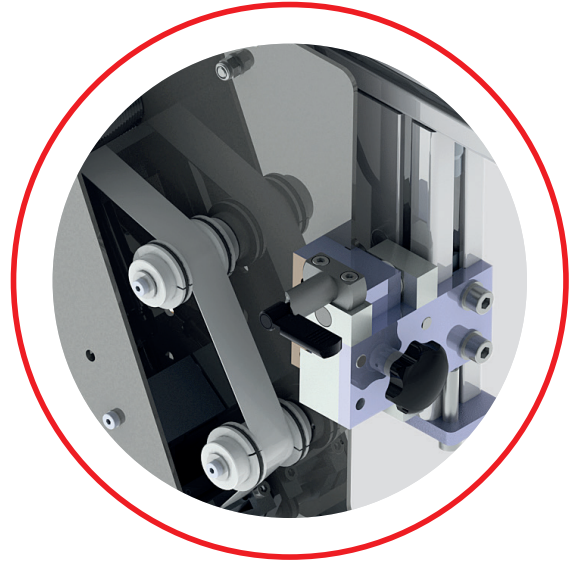

We offer tape dispensers for double-sided adhesive tape and motorized dispensers for RippaTape tear strips as an extension to our Multi-Gluer 2100CE.

We thus provide the cheap and fast way to capitalize on this boom!

(Can be retrofitted for all models of the Multi-Gluer 2100CE from 2021, subject to technical changes)

Description

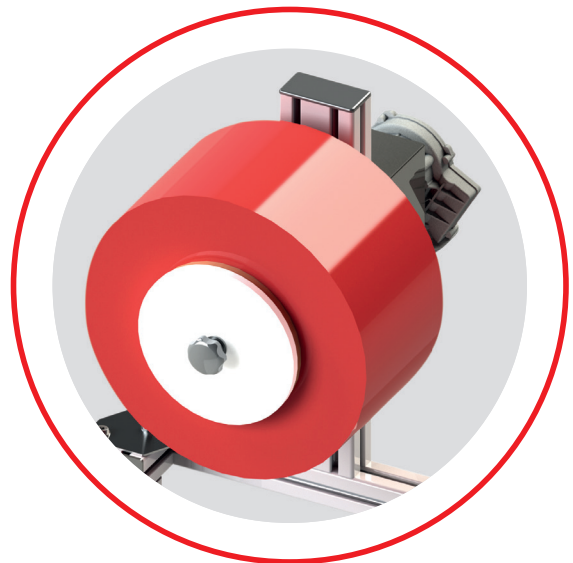

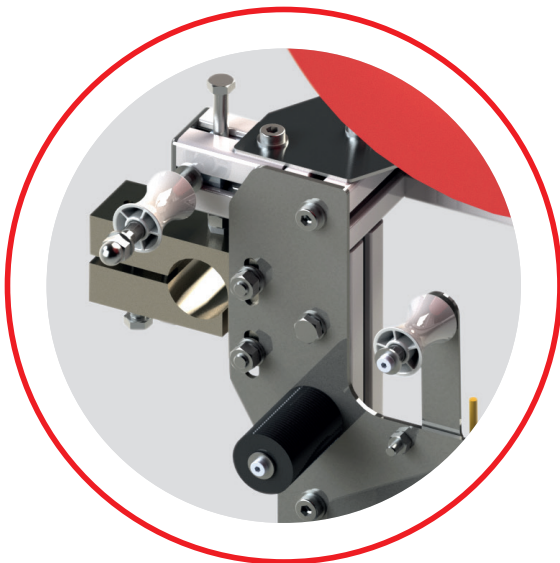

- electronically controlled dispenser for double-sided adhesive tape
- 18/24 mm tape on 50/500m rolls
- quick change system
- swivel mount
- available as a stand-alone or add-on for the Multi-Gluer or other machines (Retrofit)

RippaTape tear strip
